

Introduction

What's happening? Why? It should be considered...
 It is thought...

Two sides of the argument People suggest that...
 Some people claim...

The purpose of this argument is...

<u>For</u>	Some; others	<u>Against</u>
Some think	but	on the other hand
Some believe	despite	others believing
Many argue	yet	many also suggest
Another stance may be that	although	some argue that
Many suggest	apart from	those who think
Another point	whereas	in contrast
<p>bias = only one opinion</p> <p>balanced = two sides to every argument</p>		

Conclusion

Main arguments In conclusion,
 To summarise,

Your opinion On balance I feel...
 Personally, I believe...

What will happen otherwise? **If, if, if, then**
